

2024 IMPACT REPORT

DIAPERS DISTRIBUTED: **824,295**
CHILDREN SERVED: **17,800**

OUR IMPACT GOES BEYOND DIAPER CHANGES

-  90% of families report that our assistance improved the health of their child.
-  93% of families report that our assistance improved the well-being of their whole family.
-  97% of caregivers report that our assistance helped them feel more confident.
-  93% of families report that our assistance helped them feel more connected to other community services.

YOU MADE IT HAPPEN, FRIENDS!

- 179,543 diapers donated to us
- 710 volunteers
- 1,588 volunteer hours
- 39 community partner agencies

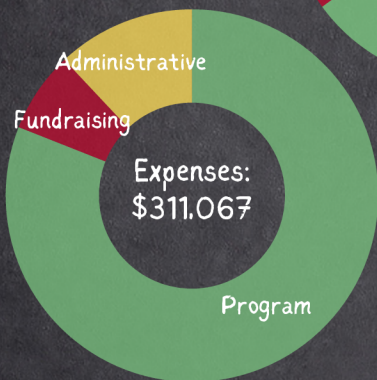

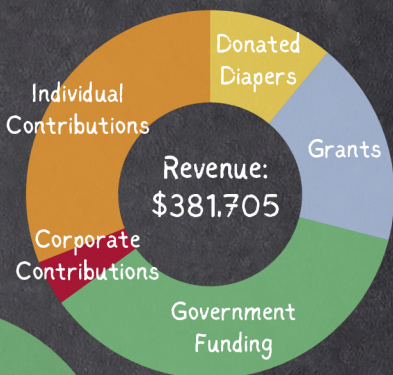

“Some families are having to decide between paying a bill or buying diapers. Supplying them with diapers keeps them from having to make such hard decisions.”
-AADB Community Partner

2024 NOTABLE MOMENTS

- ★ Purchased our van to help distribute diapers to our rural neighbors.
- ★ Distributed diapers in Georgia communities affected by Hurricane Helene.
- ★ Visited our state and national Capitols to educate our elected officials about diaper need.

“It's more than diapers...it's that there is someone there willing to consistently help.”
-AADB Community Partner Agency
