

# DIAPER NEED

- Without enough clean diapers, babies' bottoms stay yucky, and babies can get sick.
- Their grownups get sad because their babies don't have clean diapers.
- That's why the **Athens Area Diaper Bank** is so important to families in our community.

♥ ♥ When we work together, we can make a BIG difference ♥ ♥

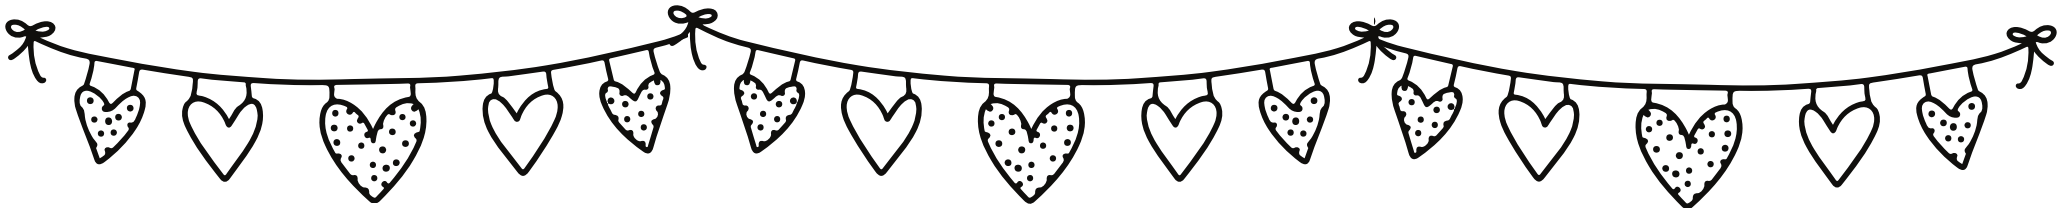

- Over 8,000 babies in our community are experiencing diaper need right now.
- **This is a BIG problem, but when we work together, we can make a BIG DIFFERENCE.**
- Each month, the Athens Area Diaper Bank donates over 50,000 diapers to partner agencies in Clarke, Barrow, Jackson, Madison, Oconee, & Oglethorpe Counties.
- We rely on community members (that's you!) to donate diapers and to help get diapers ready for families.

Can you take the diaper to the baby?

# You can be a diaper helper!

Becoming a diaper helper is easy, but **always ask your grownup first!**

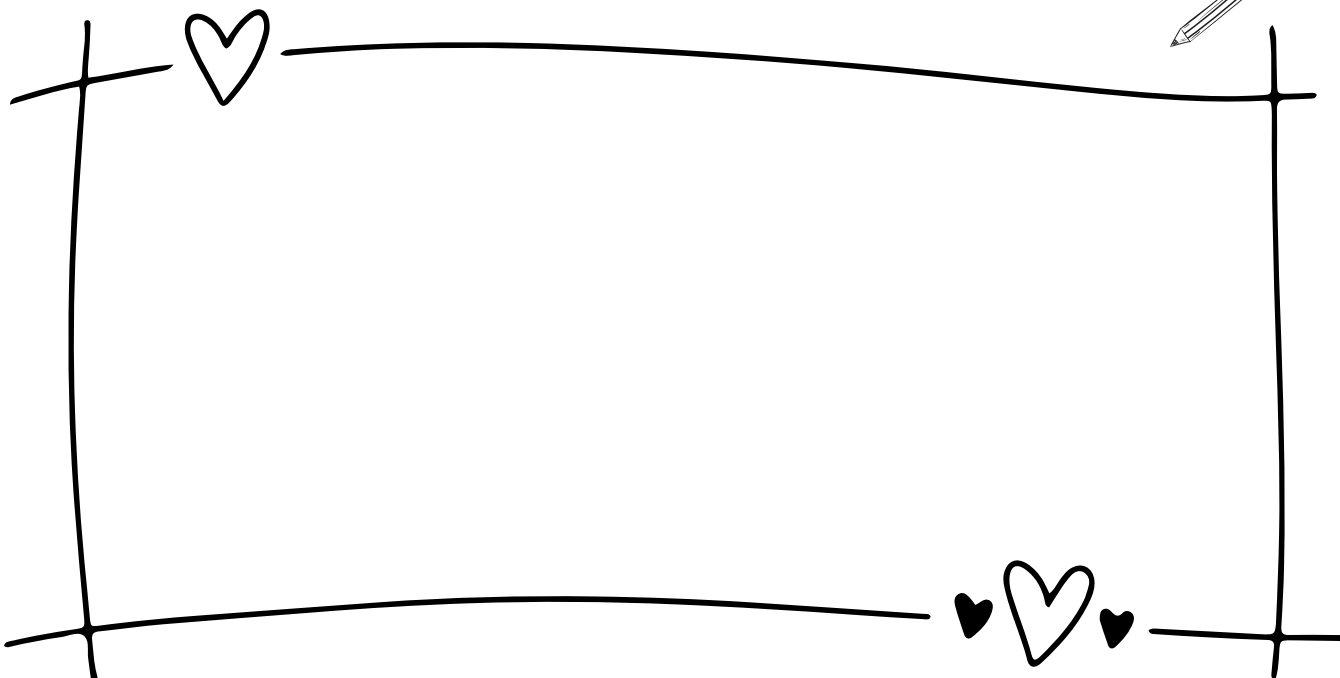

You can:

- Share about diaper need with your friends and family
- Collect diapers for donation
- Collect diapers with your class
