

## WHAT IS DIAPER NEED?

Diapers cost over \$1,000 every year, a cost that 1 in 3 families struggle with in the US. Government assistance programs, like food stamps and WIC, do NOT cover diapers.

## WHAT ARE THE EFFECTS?

Caregivers experiencing diaper need report reusing dirty diapers and rationing diapers by delaying changes, which can have serious effects on babies' health. Additionally, diaper need can contribute to decreased mental health and financial instability.

## OVER 8,000 CHILDREN

IN OUR COMMUNITY  
ARE AT RISK  
OF EXPERIENCING  
DIAPER NEED.

## You are invited to participate in the *World's Largest Diaper Drive!*

This Spring, we are looking to stock our warehouse to help end diaper need in the Athens area. Our goal is to collect 50,000 diapers, and we need your help!

Here is how it works - Your student group or club or team promotes the drive, collects diapers anytime before May 6th, and drops them off at Athens Area Diaper Bank afterward!

Diaper banks all across the country will be participating. Altogether, we are hoping to collect over 2 million diapers!
